Participants:

I, II year Statistics 276 students of SDMSMK

Resource persons:

Mr. Venkat Reddy Konasani, CEO, Dr. Srinivas Karimujja, Data Scientist & Mr. SK.Signal, Data Scientist, Stat-infer Software Solutions LLP.

Description of the Programme:

Every year, June 29th is celebrated as National Statistics Day marking the significance of the birth Anniversary of Prof. Prasanta Chandra Mahalanobis, in recognition of the notable contributions made by the Professor. “The theme of National Statistics Day, 2023 is “Alignment of State Indicator Framework with National Indicator Framework for Monitoring Sustainable Development Goals”.

On the behalf of NSD Event, Department of Statistics conducted one day workshop on “The Story Teller's Toolkit: Mastering the Arts of Data- Driven Narration” by Dr. Srinivas Karimujja, Presented a PPT on Data Science and its applications with some toolkits like POWERBI, TABLEAU. He explained of the importance of data science in the upcoming years. Starting from the defining of data science “the process of the making decision using data under particular case of investigation” later from all the students in their android app downloaded the DATA RASE app to improve their IQ power.

In afternoon session, by using TABLEAU toolkit , Dr Srinivas Karimujja did the hands on training with the students on how to enter the data ,how to present the data using some in that software in laboratories. SK.Signal helped the students if they have any quarries.
