

EXTENSION ACTIVITY

SERVE WHILE YOU LEARN

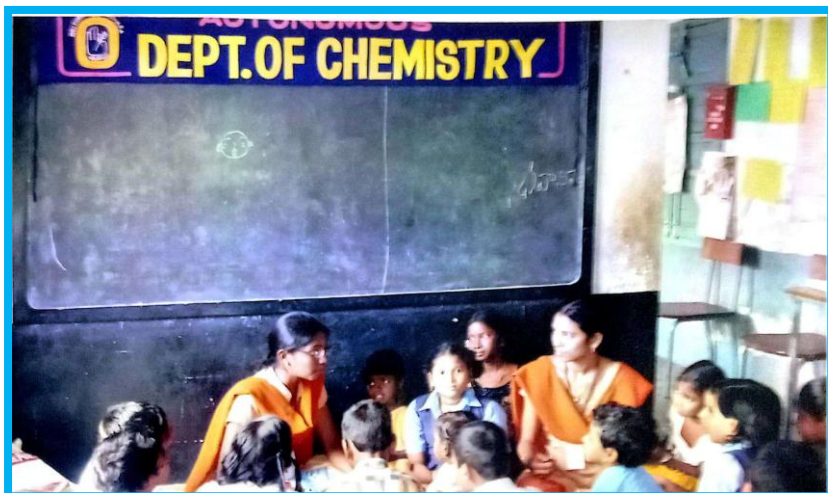

The chemistry club, ANALYTE also organises many activities and practice the slogan of *Serve While You Learn* to inculcate the thinking of serving and sharing. The club adopted RCM aided Municipal School and Amma vadi, an orphanage and conducted many activities 14-08-2015.

The students and staff visited orphanage and donated stationery to the inmates.

"Visit an orphanage once you will respect your parents twice"

Interacting with the students of Amma Vadi:

Dare to think different it's the best way to succeed

A student distributing sweets to the inmates of Amma Vadi, an orphanage on the occasion of her birth day.

Students conducting **Story Telling Competition** in the orphanage Amma Vadi 01-10-2015:

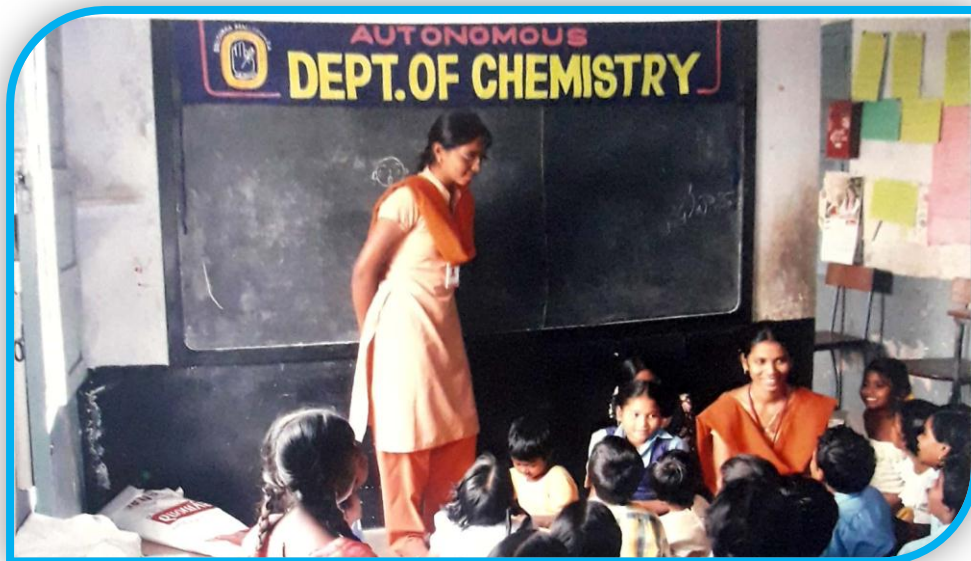

Students with the prize winners of Amma Vadi:

Do not wait for leaders do it alone person to person- 'Mother Theresa'

Interacting with the students of RCM school:

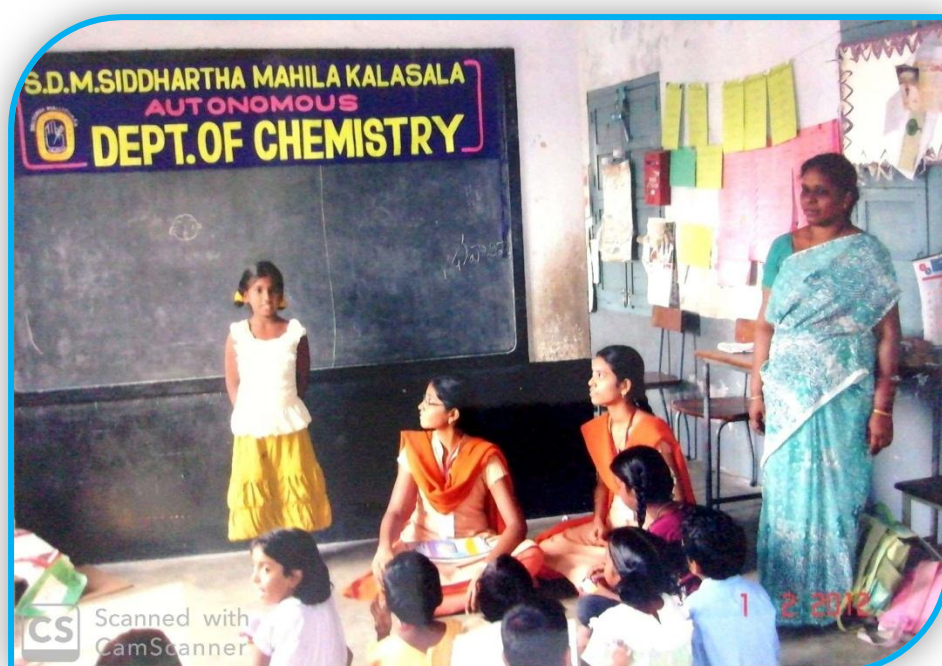

Distributing slips in the RCM School to involve in **Math** competition:

Rhymes competition for the students of RCM School:

A competition on **Healthy Habits** to the children of RCM aided school:

The students observed the Effect of pesticides and as a follow up programme, conducted **awareness camp** for the students of our college. These students in turn educated their parents who are farmers and villagers with the help of posters about the **safe handling of pesticides and usage of less amount of pesticide to control the soil erosion and encouraged them to follow organic farming.**
