

A FIELD TRIP TO JC GRAPHICS PVT.LTD

III BSC chemistry cluster students visited **JC GRAPHICS PRIVATE LIMITED**, Auto nagar , Vijayawada on 8th February 2019.

Participants:

A total number of 37 cluster students and faculty.

Description of the programme:

By visiting this printing press students learned the various steps involved in the printing process. They learned about the manufacture of folder sheets and boxes. They were educated about the cutting, packing of sheets and chemicals used in paper printing. It generated a lot of interest and curiosity among the students. They also learned about the designing of various cover pages by using universal standard colours.
