

## **VISIT TO POLAVARAM PROJECT**

The Department arranged a field trip for the students and staff to Polavaram Project and Pattiseema which was given the National Status by the Union Government of India on 15-07-2018.

Polavaram is an under construction Multipurpose National Project on the River Godavari in the East and West Godavari Districts of Andhra Pradesh. It gives major boost to tourism sector in Godavari Districts as it covers the famous Papikondalu National Park, Polavaram Hydro Electric Project, National Water Way etc.

Students had the lifetime opportunity to visit such a huge Project under construction and gained much knowledge in the concept of water storage for irrigation and drinking purpose.
