

## TWO DAYS WORKSHOP ON CONTENT DESIGNING & DEVELOPMENT IN MOOCS AND MOODLE

- DATE** : 23<sup>rd</sup> and 24<sup>th</sup> March, 2019
- PARTICIPANTS** : A total number of 28 faculty members participated.
- RESOURCE PERSON** : Prof. K. Srinivas, Head, ICT & Project Management Unit, NIEPA, Govt. of India, MHRD, New Delhi.

### DESCRIPTION OF THE PROGRAMME

The resource person explained the value of MOOCs on the MOODLE platform, the process of content designing and development to evaluate the learners' experiences in MOOCs. In this evaluation both qualitative and quantitative data were collected. Feedback survey was done at the end of each course and then implemented through learning analytics tools which contains several questions with choice based answers, with the open-ended questions. He concluded that it offers learning analytics to help teachers understand participative dynamics and performance levels.
