

Seminar Report on Awareness Programme on Solar Energy

Date:- 20-08-2026.

No.of participants: 200 students .

Description of the Programme

The Department of Physics, Sri Durga Malleswara Siddhartha Mahila Kalasala, Vijayawada, organized a Solar Energy Awareness Webinar on 20th August 2026 under the initiative of IQAC.

The programme was titled “**Powering a Greener Tomorrow for the Next Generation.**” The session was conducted by Mr. M. Ratna Prabhakar, Head – Business Strategy & Growth, MB Solar Hub. The main aim of the programme was to create awareness among students about solar energy, its importance, benefits, and future career opportunities. The resource person explained the importance of renewable energy and how solar power can help in building a clean and sustainable future. The programme was followed by an interactive session with students, where students actively participated and clarified their doubts.

The programme was conducted under the guidance of Dr. P. V. Durgavathi, Principal In-Charge, with the support of **Smt. M. Geetha Madhuri, HOD, Physics**, , faculty members, and students.

The webinar was informative and useful in creating awareness about the importance of solar energy and a greener future. Around 200 students and faculty members participated in the programme.

The programme also included an interactive session with students, where participants actively interacted with the resource person and clarified their doubts.

As part of the programme, the college felicitated and honoured the guest/resource person as a token of appreciation for his valuable contribution and informative session.
