DEPARTMENT OF POLITICAL SCIENCE

TITLE OF THE BEST PRACTICE: MOCK PARLIAMENT

OBJECTIVES:

- To create awareness among students on the Parliamentary affairs and activities
- To make the students familiar with the processes and proceedings of the Parliament
- To develop public speaking skills and confidence among the students
- To create a platform only for sharing, it will only be educative but not reformatory
- To promote political activism and impress on the millennial generation that its votes and participation will create an impact
- To enhance their debating skills as well as to increase their knowledge about the current issues being faced by our country
