NEWSLETTER-VOL - III, ISSUE – I, JUNE– AUGUST, 2026

“Wisdom.... comes not from age, but from education and learning.”

– Anton Chekhov

PRINCIPAL'S MESSAGE..

I am delighted to present this edition of our college newsletter, which beautifully captures the enthusiasm, achievements, creativity, and collective spirit of our college community. Each page reflects the dedication of our students, faculty, staff and reminds us that meaningful progress is always the result of sincere effort and teamwork.

In this changing world, our students must be prepared not only to meet challenges but also to create opportunities. Innovation, critical thinking, collaboration, communication, and adaptability are essential qualities for success. I encourage our students to remain curious, embrace challenges, learn from failures, and never hesitate to explore new possibilities.

I also take this opportunity to acknowledge the tireless efforts of our faculty and staff. Their commitment in nurturing young minds and creating a positive learning environment is truly commendable. I am confident that, together we will continue to strengthen our institution and reach new heights of excellence.

With best wishes,

CHIEF PATRONS

Sri M.Rajayya - President

Sri.P.Lakshmana Rao - Secretary

Sri S.Venkateswara Rao-Treasurer

SriCh.KrishnaRao- Convener,SDMSMK

Sri Dr.L.K.Mohan Rao - A.O

“National Statistics Day”

On the occasion of **National Statistics Day**, the Department of Statistics organised a seminar titled "**Biostatistics: Architecting Modern Healthcare – Applications & Opportunities**". The programme commemorated the birth anniversary of **Prof. Prasanta Chandra Mahalanobis**, whose pioneering contributions to statistics continue to shape research and policy-making in India. The resource person, Dr. M. Rajeswari, Assistant Professor, AIIMS, delivered an insightful lecture highlighting the indispensable role of biostatistics in modern healthcare. She explained its applications in clinical trials, drug development, disease surveillance, public health policy, and evidence-based medical decision-making.

1-7-2026

Extension Activity-Medical Camp

Department of Microbiology organized a medical camp As part of extension activity, In association with Konaac diagnostics organised a free medical camp for teaching & non-teaching staff conducted various diagnostic tests like CBP, Thyroid profile, HbA1c, Lipid profile & BMI, BP.

9-7-2026

"Start-up revolution:Idea that change the world".

The Department of Commerce and Management conducted a guest lecture in collaboration with Bhartiya Yuva Shakti Trust on "Start-up revolution:Idea that change the world". By Mr,Venkata Sriresh, Senior Mentor BYST.

11-7-2026

“Life Skills for Real Life”

The Department of English arranged a guest lecture “Life Skills for Real Life” by Dr. A. Nagesh, Assoct Prof, Lecturer in Darsi Government Degree College, Darsi. Sir Spoke about pronunciation, grammar, Vocabulary and Fluency which place the key role in communication. He emphasized that mother tongue and regional influence act as barriers in learning English.

10-07-2026

“Mobile De-addiction: Guidelines from Science and Spirituality”

A Seminar on “**Mobile De-addiction: Guidelines from Science and Spirituality**” Was Organized by the **Personality Development Club** in Collaboration with **Bhakthivedanta Institute**. The Main Objective of the seminar was to create awareness among students about the harmful effects of excessive mobile phone usage and to promote responsible digital habits. The resource person Prof. Rama Gopal Uppaluri, Honorary Director, Distance Education Bhakthivedanta Institute, Kolkata. explained the growing problem of mobile addiction among students & discussed its negative effects on physical health, mental well-being, academic performance, concentration, and social relationships.

11-7-2026

World Population Day

The Department of Economics conducted a guest lecture on “Sustainable Population Growth for a Changing World” by Dr. Sk. Karimulla, Head of the Department of Economics, Lakireddy Hanimireddy Government Degree College, Mylavaram.

15-7-2026

“BUILDING RESEARCH SKILLS THROUGH PROJECT WORK”

The Department of Mathematics organized a guest lecture on “**Building Research Skills Through Project Work**” The session was delivered by **Dr. Rama Vara Prasad Chavali**, Associate Professor, Department of Civil Engineering, VR Siddhartha School of Engineering, Siddhartha Academy of Higher Education (Deemed to be University), Vijayawada. The resource person emphasized the importance of project work in developing research aptitude, analytical thinking, and problem-solving skills. He also highlighted the responsible use of Artificial Intelligence tools such as ChatGPT in academic research and introduced the **THINK** principle for ethical information usage. The interactive session inspired students to adopt a research-oriented approach and provided practical guidance on preparing quality project reports, making it an enriching learning experience for all participants.

15-7-2026

MongoDB Skill-a-thon Certification

The Department of Computer Science, in association with ICT Academy, successfully organized a **MongoDB Certification – Skill-a-thon** for a duration of one month. The program witnessed

enthusiastic participation from **313 second-year and 234 final-year students** from B.Sc. (Hons.) AI, B.Sc. (Hons.) Data Science, B.Sc. (Hons.) Computer Science & Cyber Security (CSCS), B.Sc. Computers, and BCA. The Skill-a-thon aimed to strengthen students' knowledge and practical skills in MongoDB, modern database technologies, and AI-driven applications. As part of the initiative, students successfully completed five industry-relevant certifications: **MongoDB Basics for Students, AI Data Strategy with MongoDB, RAG with MongoDB, Vector Search Fundamentals, and AI Agents with MongoDB**. The program significantly enhanced students' technical competency, confidence, and industry readiness, while providing valuable exposure to emerging technologies in databases and Artificial Intelligence.

16-7-2026

Preamble-Student Induction Programme

The Dept of Telugu had taken 200 students to participate in Jagannadha Radha Yatra, organized by ISKON at Amaravathi. Our CM Sri Nara Chandra babu Naidu addressed the gathering by telling that TTD should organize Radha Yatra everywhere to cultivate Krishna Consciousness is everyone's mind.

24-7-2026 & 25-7-2026

The Department of Commerce and Management conducted a two-day Faculty Development Programme on 24th and 25th July 2026, on the topic "Publishing Impactful Scopus and WoS Indexed Research (From Idea to Impact - A Complete Publishing Roadmap)" by Prof. Dr. Rajasekhara Mouly Potluri, KBTU Business School, Almaty, Kazakhstan.

28-7-2026

"Hepatitis – Free Future: Awareness, Prevention and Care,"

The Department of Biochemistry organized an awareness program on World Hepatitis Day on 28 July 2026. The program, "Hepatitis – Free Future: Awareness, Prevention and Care," was delivered by Dr. Niharika B., Assistant Professor, Department of Community Medicine, Siddhartha Medical College, Vijayawada. The session focused on the causes, prevention, early detection, vaccination, and treatment of hepatitis.

Students and faculty actively participated and gained valuable knowledge on preventing hepatitis and promoting a healthy lifestyle. The program successfully created awareness about the importance of early diagnosis and preventive measures for a hepatitis-free future.

28-7-2026

“International Nature Conservation Day”

The Department of Zoology observed International Nature Conservation Day . As part of the celebrations, a poster presentation competition was organized to create awareness about wildlife conservation and environmental protection. Students actively participated by preparing bird nests and bird feeders using waste materials, promoting the importance of recycling and sustainable practices. They also distributed seed balls to encourage tree growth and biodiversity conservation.

28-7-2026

“World Tigers Day”

On the occasion of World Tiger Day, observed annually on 29th July, the Department of Zoology organized a Poster Presentation Competition under the theme "Roar for Nature: Tiger Conservation." Students enthusiastically participated by presenting creative posters and impactful slogans that highlighted the importance of protecting tigers and conserving their natural habitats. The event raised awareness about wildlife conservation, biodiversity, and the collective responsibility to safeguard this majestic species for future generations. The programme successfully inspired students to become active advocates for tiger conservation and environmental protection.

28-7-2026

“Career Guidance Programme”

The Department of Statistics organized an insightful career guidance session on **"Strategic Career Roadmap after B.Sc. Statistics: Government Recruitment versus Higher Education – A Comparative Analysis of Career Opportunities, Success Pathways, and Long-Term Growth."** The session was delivered by **Sri. G. Chakravarthy, M.Sc., M.Phil., Head, Department of Statistics and Academic Officer, P.B. Siddhartha College of Arts & Science, Vijayawada**, an experienced academician and career mentor in the field of statistics. The resource person provided a comprehensive overview of the diverse career opportunities available to B.Sc. Statistics graduates, highlighting the scope of government recruitment through competitive examinations such as UPSC, SSC, Banking, APPSC, and the Indian Statistical Service, as well as higher education pathways including M.Sc. Statistics, Data Science, Biostatistics, Actuarial Science, and research programs. He also emphasized the importance of developing technical skills in R, Python, SPSS, SQL, Power BI, and data analytics, enabling students to meet the growing demands of industry and research.

30-7-2026

“Guest Lecture – Telugu”

The Department of Telugu organized a seminar today. The program was graced by Professor Medasani Mohan, Director of the Annamacharya Project at Tirumala Tirupati Devasthanam's (TTD), as the Chief Guest. He delivered an insightful lecture on the topic **“Women Characters in the Mahabharata.”** During his address, Professor Mohan highlighted the significant roles, strength, wisdom, and moral values embodied by the women characters in the epic. The seminar provided students and faculty with a deeper understanding of the literary, cultural, and philosophical dimensions of the *Mahabharata*, making the event both enlightening and inspiring.

30-7-2026

The Wellness Club organised a CPR (Cardiopulmonary Resuscitation) Training Workshop for students in association with AIIMS Hospital, Mangalagiri. The workshop aimed to create awareness about the importance of immediate response during medical emergencies and to equip students with essential life-saving skills

30-7-2026

“International Guest Lecture on Latest Trends and Technologies in AI”

The Department of Computer Science organized an International Guest Lecture on **“Latest Trends and Technologies in AI”**. The session provided valuable insights evolving in the field of Artificial Intelligence, covering emerging technologies such as **Machine Learning, Deep Learning, Natural Language Processing, Computer Vision, Generative AI, Large Language Models (LLMs), AI agents, and intelligent automation.** The resource person highlighted real-world applications of AI in healthcare, education, finance, agriculture, cybersecurity, and smart industries, while also emphasizing ethical AI, data privacy, responsible development, and future career opportunities. The interactive and informative session enhanced participants' understanding of current AI trends and inspired students to explore AI-based research, innovation, projects, and career opportunities.

10-8-2026 To 13-8-2026

Workshop – Prompt Engineering

The Department of Computer Science, in association with Anitha Technologies & Services, organized a hands-on **4-Day Workshop on Prompt Engineering** the interactive sessions were designed to equip 67 final-year students (from III B.Sc. Honours AI and from III BCA Honours) with practical skills to effectively communicate with modern Artificial Intelligence systems. The workshop was led by **Mr. Kamasani Lokesh**, Prompt Engineering Trainer and Senior Consultant for Azure Cloud Operations & Training at Infosys Ltd., Bangalore. Over four days, students moved beyond theoretical concepts to experiment directly with prompt structuring, exploring how variations in context, constraints, and instructions impact Generative AI outputs. The practical exercises covered real-world applications in content generation, coding assistance, and information processing.

11-8-2026

“National Librarian’s Day”

On the Occasion of 134th birthday of Dr.C.R.Ranganathan (The Father of Library), Our College Library Department Conducted a Seminar by inviting R.V.S SivaRamaKrishna, the Manager of Andhra Pradesh Library Association and also young writer Kum. R. Sravanthi Who recently completed her degree from P.B. Siddhartha , as guests. Principal felicitated the guests. Prizes were distributed to students who participated in the library quiz competition.

14-8-2026

1 Day Hackathon – SDMSMKaTHON 2K26

The Department of Computer Science & Electronics, in association with Anitha Technologies, successfully organized a high-energy, 1-Day Hackathon—**SDMSMKaTHON 2K26**. The event brought together 217 talented students formed into 66 teams, including 56 in-house participants and 161 students from 13 neighboring institutions, creating a dynamic environment for inter-collegiate collaboration. Designed to bridge academic theory with real-world execution, the intensive hackathon challenged teams to build innovative solutions under strict time constraints across 90 cut-edge problem statements in Machine Learning, Deep Learning, and Generative AI. Inaugurated by Chief Guest **Mr. Akula Harish**, Hardware Design Engineer at Unistring Tech Solutions Pvt. Ltd., Hyderabad, the event gave participants direct exposure to real-world engineering standards. The entries were evaluated by a distinguished judging panel comprising **Mr. B. Narendra** (HoD-IoT, Ramachandra College of Engineering), **Dr. Ardhal Bala Krishna** (Associate Professor-EEE, PSCMR College of Engineering and Technology), and **Mr. M. Ramakrishna**

(Associate Professor-AI & DS, Ramachandra College of Engineering), who assessed projects on technical execution, innovation, and presentation.

17-8-2026

The Department of Botany and EcoClub, in association with One Earth One Life, organized a Hands-on Training Programme on Seed Ball Making at the Botany Laboratory. The programme aimed to create awareness among students about seed conservation, biodiversity, afforestation, and environmental sustainability through practical learning. A total of 10,000 seed balls were prepared by the students during the programme.

19-8-2026

“World Humanitarian Day”

The Department of Political Science organized a Guest Lecture on Local Community Empowerment and Conflicts, Challenges on occasion of. 'World Humanitarian Day', by Dr. P. Leelavathi, Asst. Professor in History, Bantumilli Degree college, Krishna District.

20-8-2026

“Seminar-Awareness Programme on Solar Energy”

The Department of Physics & Hindi under the aegis of the Internal Quality Assurance Cell (IQAC), successfully organized a solar energy awareness webinar titled *“Powering a Greener Tomorrow for the Next Generation.”* The session featured Mr. M. Ratna Prabhakar, Head of Business Strategy & Growth at MB Solar Hub, as the keynote speaker. Addressing a vibrant gathering of 200 students and faculty members, Mr. Prabhakar highlighted the vital role of renewable energy in building a sustainable future while shedding light on emerging career pathways within the green energy sector.

20-8-2026

“INTEGRATING NUMERICAL ANALYSIS WITH MACHINE LEARNING”

The Department of Mathematics, organized a **National Seminar on “Integrating Numerical Analysis with Machine Learning”** in hybrid mode. The seminar featured **Dr. Sukanta Nayak, Associate Professor, Department of Mathematics, School of Advanced Sciences, VIT-AP University, Amaravati**, as the Resource Person. The programme provided students, faculty, research scholars, and participants from various colleges with valuable insights into the integration of numerical methods and machine learning in solving complex computational and real-world problems. Dr. Nayak explained the importance of numerical analysis, linear algebra, calculus, interpolation, differential equations, and optimization in machine learning, along with the applications of Python and Artificial Neural Networks.

20-8-2026

“Powering a Greener Tomorrow for the Next Generation.”

The Departments of Physics & Hindi, organized a Solar Energy Awareness with the theme **“Powering a Greener Tomorrow for the Next Generation.”** The session was conducted by **Mr. M. Ratna Prabhakar, Head – Business Strategy & Growth, MB Solar Hub**, with the objective of creating awareness among students about solar energy, its significance, benefits, and future career opportunities. The resource person highlighted the importance of renewable energy and explained how solar power can contribute to a clean, sustainable, and greener future. The programme featured an interactive session in which students actively participated, interacted with the resource person, and clarified their queries. As a token of appreciation for his valuable contribution and informative session, the college felicitated and honoured the resource person.

24-8-2026 & 25-8-2026

“WORKSHOP ON BASIC MOLECULAR BIOLOGY TECHNIQUES”

Department of Microbiology & Bio chemistry organized a two day Workshop on “Basic molecular biology techniques” . The Resource persons Dr. Sunil & Dr. Jaganmay has given training on the principles and practical applications of Agarose gel electrophoresis, which is used to separate and visualize DNA fragments based on their size , Polymerase Chain Reaction (PCR) for amplification of specific DNA sequences & SDS-PAGE, a technique used to separate proteins based on their molecular weight. Overall, the workshop provided valuable practical knowledge and strengthened students understanding on basic molecular biology techniques.

28-8-2026

“Guest Lecture”

The Departments of Physics and Chemistry organized a guest lecture titled **“From B.Sc to Successful Career: Explore, Experiment & Excel.”**

The event featured Dr. A. Venkateswara Rao, Associate Professor at KL University, as the resource person, who provided valuable guidance

on higher education, research pathways, skill development, and professional growth. Interacting dynamically with the B.Sc students, Dr. Rao motivated them to build confidence, embrace practical experimentation, and proactively explore diverse career opportunities. As a token of appreciation for his insightful session, the organizing departments felicitated Dr. Rao, concluding an enriching event that equipped students with clear vision and enthusiasm for their future academic and professional endeavors.

28-8-2026

“Rakhi Making Competition and Seeds Exhibition”

The Department of Botany & EcoClub organized an Eco-Friendly Rakhi Making Competition and Exhibition with Seeds at the Botany Lab. Students enthusiastically participated in the activity and showcased their creativity by preparing a total of 41 eco-friendly Rakhis using seeds and other natural materials

26-8-2026

“Guest Lecture”

Department of Political Science and Women Empowerment Cell arranged a Guest lecture on " Gender Equality, Women, s Rights and Contemporary Challenges".The Resource person Sri Ayyappa Barige, HTTM,LLB ,High Court Advocate addressed the students on Important Legal Rights, Safety Measures for women and children

27-8-2026
“VXL-IT TEST”

The Department of Computer Science, in association with VXL-IT Academy & Solutions, Vijayawada, successfully organized the **11th VXL-IT Test**. The assessment was conducted by **Mr. R. Siva, Director, VXL-IT Academy & Solutions**. Total **76 students** from second year participated. In this exam, the test provided students with an opportunity to assess their fundamental IT knowledge, identify areas for improvement, and strengthen their technical competency and confidence. This initiative also encouraged continuous learning and enhanced students' academic development and industry readiness, making it a valuable platform for building essential IT skills for their future careers.

Student achievements

- M. Pavani and N. Vineesha of II BSC PHYSICS got I prize in the drawing competition (Cosmos on Canvas) organized by Maris Stella college, VJA on the occasion of international space day.
- On August 2nd II B.Sc. Botany students participated in the State-Level Rangoli Competition organized by Saptasindhu 2026 and won a cash award of ₹5,000.

Staff Achievement

- Smt A. Ramalakshmi HOD Hindi was invited as a special guest and felicitated during the birth anniversary celebrations of Shri Krishna devaraya.
- Smt P. Harika Placement Officer received an appreciation certificate for her excellence in college placements.

NSS ACTIVITIES

1. On **15 June 2026**, NSS Units I, II & III of our College organized an awareness programme on "**Heal Emotions and Cure Disease**" at the Webinar Hall. The programme featured **Mrs. G. Padmaja, M.A., PG Diploma in Child Development & Psychology, and Diploma in Yoga**, as the Chief Guest. She delivered an informative session on the mind-body connection, yoga for emotional balance, and Bach Flower Therapy, promoting emotional and physical well-being among the lecturers.

2. On **21 June 2026**, NSS Units I, II & III of our College celebrated "**International Yoga Day**" from **06:00 AM to 08:00 AM** at the **Indoor Stadium** and also participated in the **Yogandhra 2026** programme held at **IGMC Stadium, Vijayawada**, organized by the Government of India. The yoga awareness session at the college was conducted by **Mrs. G. Padmaja, M.A., PG Diploma in Child Development & Psychology, and Diploma in Yoga**, who demonstrated yoga postures, pranayama, and meditation techniques. Around **400 NSS volunteers** enthusiastically participated in both programmes, promoting the importance of yoga for physical fitness, mental well-being, harmony, and a healthy lifestyle.

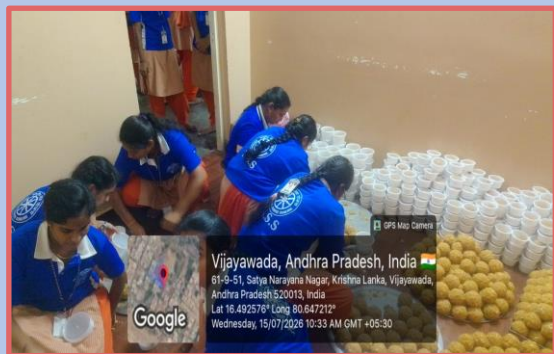

3. The **Anti-Drug Abuse Awareness Programme** was organized by the **NSS Units I, II, and III of SDMSMK College** on **22 June 2026** from **10:00 AM to 11:30 AM** at the **Webinar Hall**, in association with the **District Administration, Police Department, and the Ministry of Social Justice & Empowerment, Government of India**. The programme was graced by the **Chief Guest, Shri Ake Ravi Krishna, Inspector General of Police (IGP)**, who delivered an insightful address on the harmful effects of drug abuse and encouraged students to support the **Nasha Mukta Bharat Abhiyaan**. Students actively participated in the awareness session, took the **"EAGLE Says NO to Drugs"** pledge, and committed themselves to leading a drug-free life. The programme concluded with an **Anti-Drug Abuse Awareness Rally**, during which students carried placards and raised anti-drug slogans to spread awareness and promote a healthy, addiction-free society.

4. The **NSS Units I, II, and III of our College** participated in the **Jagannatha Radha Yathartha** programme organized by the **ISKCON Temple, Amaravathi**, from **16th to 18th July 2026** at **Amaravathi**. A total of **250 NSS volunteers** actively participated in the programme with enthusiasm and devotion. The volunteers took part in the activities associated with the event and experienced the spiritual and cultural traditions connected with Lord Jagannatha. The programme provided the students with an opportunity to develop values such as **discipline, unity, devotion, service, and social responsibility**. The active participation of the NSS volunteers contributed to the successful conduct of the programme.

5. The NSS Units I, II & III of SDMSMK College organized a service activity on 10th August 2026, in which 250 NSS volunteers voluntarily contributed and collectively donated ₹5,000/- (Rupees Five Thousand only) to Saptaswara Orchestra (Orchestra of Persons with Disabilities), Vijayawada. The Saptaswara Orchestra subsequently donated the received amount to Nirmala Sishu Bhavan, Dwarakanagar, Krishnalanka, Vijayawada, for the welfare and support of children. The initiative promoted the NSS values of service, kindness, empathy, cooperation, generosity and social responsibility, while encouraging students to participate in charitable activities and uphold the NSS motto “Not Me But You.” The activity was a simple yet meaningful effort that fostered unity, compassion and a spirit of social service among the NSS volunteers.

6. The NSS Units I, II & III of SDMSMK College organized a “**Har Ghar Tiranga Rally**” on 13th August 2026 at the SDMSMK College Campus and surrounding locality, on the eve of the **80th Independence Day celebrations**. The rally was attended by local BJP leaders, faculty members, and community representatives and aimed to promote patriotism, unity, national pride, and awareness about the Har Ghar Tiranga Campaign. The program commenced with flag hoisting at the college premises, followed by the National Anthem. NSS volunteers, students, staff, and local leaders carried the Tricolour and raised patriotic slogans while marching through the nearby streets, encouraging citizens to hoist the National Flag at their homes and workplaces and to respect its dignity. The rally witnessed enthusiastic participation and successfully spread the message of patriotism, unity, and collective responsibility, inspiring the community to actively participate in the Independence Day celebrations.

7. The NSS Units I, II & III of SDMSMK College, in association with **HDFC Bank**, successfully organized the “**Mega Plantation – Go Green**” programme on **17th August 2026** at the college premises and surrounding areas. The programme aimed to promote environmental conservation, increase greenery, and create awareness about the importance of tree plantation. The Principal, NSS Programme Officers, students, faculty members, NSS volunteers, and HDFC Bank employees actively participated in the programme and worked together to plant, water, and care for **40 varieties of saplings**, including medicinal plants, fruit-bearing trees, flowering plants, and shade-providing species. The initiative encouraged sustainable practices, environmental responsibility, and

community participation in creating a greener and healthier environment. The programme concluded with a vote of thanks, acknowledging the contributions of all participants, and was a successful example of collaboration, social commitment, and environmental conservation.

8. An awareness program on **“Cyber Crimes & Drug Abuse”** was organized by **NSS Units I, II & III, SDMSMK College** on **24th August 2026** at the **Webinar Hall, SDMSMK College**. The program was graced by the chief guests **Dr. K. Manasa, ACP (South), Vijayawada**, and **Sri. N. V. Lakshmi, SI, Krishnalanka Police Station, Vijayawada**, who served as resource persons. They created awareness among students about cybercrimes such as phishing, online fraud, identity theft and cyberbullying, as well as the harmful effects of drug abuse. The interactive session encouraged students to follow safe digital practices, avoid harmful substances, and make responsible and healthy choices. The program concluded with a vote of thanks and was successful in sensitizing students about cyber safety and drug abuse prevention.

9. On **29th August 2026**, a large-scale environmental initiative was organized at **P.B. Siddhartha College of Arts & Science, Vijayawada**, by the **CII Young Indians (Yi) Amaravati Chapter** in collaboration with **Codegnan and the college community**. **NSS Units I, II & III and NSS Volunteers of SDMSMK College** actively participated in the program. The event focused on promoting **afforestation, environmental conservation, biodiversity, and youth volunteerism**. Students and volunteers enthusiastically participated in preparing native bamboo seed balls, and a total of **113,109 seed balls were prepared in a single day**, earning recognition in the **Asia Book of Records** under the title **“Maximum Native Bamboo Seed Balls Prepared by a Youth Organisation.”** The program encouraged students to work together for environmental protection and demonstrated the importance of teamwork and social responsibility. The event was highly successful and served as an inspiration for students and volunteers to contribute towards building a **greener and healthier environment**.

NCC ACTIVITIES

1. 48 cadets of NCC Second year attended to ATC-11 camp From 31-5-2026 to 09-6-2026 Conducted at IIIT Nuzividu

2. Our cadets L.Stella,A.Gayathri,Ch.Mamatha attended for CATC-1 held at tadepalligudem, sesi engineering college from 4-6-2026 to 13-6-2026

3. 56 Cadets of NCC final year attended to ATC-13 camp from 12-6-2026 to 21-7-2026 Conducted at IIIT Nuzivid

4. B2 Cadet V.Aasritha attended EBSB CAMP-I at KLEF, Vaddeswaram. 24-06-2026 to 05-07-2026

5. Our cadet L.Stella attended for CATC-2 held at tadepalligudem, Aditya degree college from 15-7-2026 to 24-7-2026

6. NCC cadets participated in 11th International Yoga Day in collaboration with Gandhi Hill foundation and 4A GIRLS BNN NCC, VIJAYAWADA on 21-7-2026

July Month
