

DEPARTMENT OF BOTANY & ECOCLUB

Name of the event: Eco-Friendly Ganesha Competition

Date:12-9-2026

Total number of students participated in the competition:03

Brief report:

An **Eco-Friendly Ganesha Competition** was organized by **Indriya – Aditya Birla Jewellery** on **12 September 2026** at Indriya Jewellers, Bandar Road, Vijayawada. The programme aimed to promote **eco-friendly celebrations, creativity, and environmental awareness** among participants.

Our students G. Durga, P. Sujatha, and P. Harini participated in the competition. The event included **clay idol making, drawing and painting, and decoration**. **G. Durga won a prize** in the competition, bringing appreciation and recognition to the Department of Botany.

The activity encouraged students to combine **creativity with environmental responsibility** and highlighted the importance of celebrating festivals in an eco-friendly manner.

G.Durga prepared vinayaka idol by using ecofriendly materials
