

Department of Botany & Eco club

Name of The Activity : Guest Lecture

Resource Person Name : Mr. V. Manoj Reddy, M.Sc. Forestry
(Forest Biology And Tree Improvement),
Guest Faculty, Acharya Nagarjuna University.

Date : 31-08-2026.

BRIEF REPORT:

Staff and students attended a guest lecture on **“Green Careers for a Sustainable Tomorrow: Forestry Education and Opportunities with Biodiversity Conservation”** by **Mr. V. Manoj Reddy, M.Sc. Forestry (Forest Biology and Tree Improvement), Guest Faculty, Acharya Nagarjuna University**. The programme was organized by the **Department of Botany and EcoClub, Sri Durga Malleswara Siddhartha Mahila Kalasala, Vijayawada.**

The programme focused on creating awareness among students about the importance of forestry, biodiversity conservation, and sustainable environmental practices.

The session highlighted various **career opportunities in forestry, environmental science, wildlife conservation, forest management, and biodiversity-related fields**. Students were encouraged to understand the role of forests in maintaining ecological balance, conserving natural resources, mitigating climate change, and supporting sustainable development.

The programme helped students gain awareness of emerging **green career opportunities** and motivated them to contribute towards environmental protection and biodiversity conservation. It also emphasized the importance of integrating education, employment, and sustainability for building a greener and more sustainable future.

Guest lecture by Mr. V. Manoj Reddy, M.Sc. Forestry (Forest Biology and Tree Improvement), Guest Faculty, Acharya Nagarjuna University
