Department of Biochemistry

Name of Program : Extension Activity on Vision Care – A step Towards Healthy Eyes

Number of Participants : 100 members

Date : 13/10 /2026

Brief Report :

The Department of Biochemistry, in collaboration with Sandhya Eye Hospitals, Vijayawada conducted an eye screening programme as part of its extension activities. The facility was utilized by both students and staff to assess their eye health and promote awareness of regular eye examinations and the early detection of vision-related problems.
